

AI Usage Declaration – COMP 2139 Assignment 1

Project: Virtual Ticketing

Course: COMP 2139 – Web Application Development (.NET)

Professor: Sergio Santilli, Cryston Heaven

Students:

- **Karthik Madarapu (Team Lead)**
 - **Anthony Huete Jacobs**
-

Declaration:

We, the undersigned students, declare that this project was designed and implemented by our group members.

Artificial Intelligence tools (ChatGPT) were used only for:

- Debugging and formatting code (e.g., fixing Entity Framework errors)
- Improving UI/UX design and CSS styling
- Clarifying assignment instructions and documentation

All project logic, structure, and functionality were planned, implemented, and verified by the team.

Signed:

Karthik Madarapu

Anthony Huete Jacobs
